# 100 Club Lottery 2011

## Join the 100 CLUB – cash prizes to be won every month!!!

We run a 100 club that is open to all members to join. It costs just £5 per number per month, and each number is entered in the draw every month, with first, second and third receiving cash prizes.

Half of what is collected monthly goes to the Club funds and the other half of the money is given away that month in the Prize Draw.

You can join the 100 Club and pay by cash, cheque or monthly standing order.

The money raised is used to purchase new equipment and for the general running of the club, so we all benefit.

## Rules

1. The "numbers" will be issued on a first come, first served basis and will only be available from the BCGC.
2. Each "number" is deemed to have been reserved for one year commencing March, purchased at £5 per month.
3. The fee for the "number" can be paid monthly, quarterly, or annually by Standing Order, or annually by cheque. Cheques should be made payable to "Boscastle and Crackington Gig Club".
4. For each "number" to qualify for a Monthly Draw, the member must have paid-up their fee for the "number" by the 20th of the month in which the draw is to take place.
5. Each "number" purchased will be entered into the Monthly Draw for three prizes.
6. There are no restrictions to the quantity of "numbers" purchased by the applicants, but applicants must be 16 years or over to participate.
7. The Monthly Draw will take place at the end of the monthly committee meeting, unless otherwise notified. Any changes will be published in the club newsletter in the month prior to when the changes are needed.
8. The winners of the prizes will be notified by telephone and email (if applicable) as soon as practicable after the draw.
9. The results of the Monthly Draw will be published in the club newsletter shortly after the draw.
10. The total amount collected for each Monthly Draw will be split 50% to the Monthly Prize Fund and 50% to BCGC funds.
11. The Monthly Prize Fund will split into three prizes, one of 60% (first), one of 25% (second) and one of 15% (third).
